

## What to compare when hiring a water treatment company:

### Sanatoga Water Conditioning

- Water is our ONLY business since 1958
- Staff is fully licensed, insured and certified by WQA
- We DO NOT subcontract
- FREE 9–point water analysis
- No Cost, No Obligation evaluation of your current water treatment equipment AND cost savings analysis
- We service ALL brands of water equipment, even if we didn't install it!

### Other Water Companies

- Some companies also sell appliance and home accessories
- Not all companies have a staff certified by WQA
- Some companies subcontract the service of your water treatment equipment
- Not all companies will evaluate other water treatment equipment and share the cost savings with their equipment
- Many companies will not service brands they don't sell
